    - Name of website
    - Links to the other pages
    - Photos of me
- Hobbies
    - I enjoy being outside when the weather permits
    - I like to go fishing all year round
    - I like to golf when I get the chance
    - I also like collecting lego cars
    - I like to go to the gym
- Discover
    - Different facts about me
- Resume
    - Would have it as both a PDF and just on the page its self
- Career
    - I hope to work as an accountant in either tax or auditing.
    - If that fails I would switch to finance
- Game
    - Something similar to Flappy Bird or the no internet game on Google

Theme
I would have it in the colors of UMD because I like the color scheme already, and it is a simple one to replicate. I would want the website to be more modern than some websites

Timeline
I would like to finish one item per week or so.
